Welcome to Woodward's Supplier e-Business Site!

At Woodward, we are committed to providing you with the best service possible. As part of that commitment, welcome to our secure electronic services web site. By using the Supplier e-Business site, you can work directly with Woodward day or night, regardless of your time zone or time constraints.

To Navigate through this site, click on the desired option in the drop-down menu bar to access available features.

This page contains both secure and nonsecure items. Do you want to display the nonsecure items?

This site uses the security protocol SSL (Secure Sockets Layer) to secure the information you send and receive. When you provide or access information on our site, the information is encrypted so that it can't be viewed by other people. This message is displayed by IE when a page also contains items like miscellaneous images or navigation bars which do not need to be encrypted. When you receive this pop-up message in IE, click the "YES" button. Clicking the "NO" button may cause the page to fail. To stop this dialog from being displayed on future visits to our site and all other sites using SSL:

- Go to "Tool | Internet Options" from the IE menu
- Click on the "Security" Tab
- Click on the world icon over the "Internet" text
- Click on the "Custom Level" button
- Scroll down through the list of options until you find the 'Display Mixed Content' option.
- Set the option to "enable"
- Click OK to save and exit.
